AMSTERDAM INSTITUTE FOR
ADVANCED METROPOLITAN SOLUTIONS

WP2's Reach

Excessive bags:

Gap: GFE collection party.

-Needs to exist motivation for GFE separation.

-GFE channeling from businesses.

-Collection schedules according to businesses and people (two sectors).

-Should monitor waste streams

Risk: More information fatigue.

Community ownership:

Can increase resident and entrepreneur happiness; therefore reduces amount of complaints and reports. Can increase overall willingness to follow the rules.

Risk: Community Activation.
Risk: Public perception on effectiveness of municipality not touched.
Gap: Efficiency of complaints management
